Application Form Guide

Equipment and Infrastructure Support Fund – Application Form

Please report all dollar values in Canadian dollars.

Select the language you will be writing your application in.

By selecting French, application fields with a word count limit will be increased by 20%. This approach to offering additional writing space for the French language is supported by research and endorsed by the Tri-agencies. However, if you select French below but submit your responses to application questions in English, your application will be deemed ineligible by ResearchNB.
